

Registered Psychologist and Clinical Psychologists in Mooroolbark

Description

Are you ready to focus on what you love—helping people—without the distractions of admin work or KPIs?

The Talk Shop is reopening its Mooroolbark office, and we're looking for psychologists to join us as we build something meaningful in this space.

Step into a supportive environment where you can tailor your work to your strengths, enjoy flexibility, and be part of a practice that prioritises your well-being.

Job Benefits

What we offer:

- **Minimal to no admin work** – focus on what you do best: client care.
- **Flexible schedules** to suit your work-life balance.
- **Contracting and salaried positions** available to fit your preferences.
- **No KPIs** – prioritize quality over quantity.
- **Work with a variety of clients** (NDIS, WorkSafe, TAC, Medicare, VOCAT, private insurers, etc.).
- **Opportunities to specialize** in specific client populations or case presentations.
- **Free monthly peer supervision** to foster collaboration and continuous professional development.
- **Friendly, collaborative team environment** with psychologists from diverse backgrounds and career stages.
- **Comprehensive admin and reception support** with 10 receptionists making client care seamless.
- **Access to psychological assessments** and tools to expand your practice.
- **A strong focus on work-life balance** to support your well-being.
